

PHCS Network

The PHCS Network is a primary PPO that is flexible enough to be customized to meet your specific needs.

- Give your members seamless access across the country
- Use it in specific geographical regions
- Combine with a local HMO or PPO within the service area, with or without tiered benefits
- Extend a local HMO's or PPO's coverage nationally for members who seek care out of the network's service area
- Use it by itself or as part of a total solution that helps you manage the cost of care

Since August 2001

The only national independent PPO to be accredited in Credentialing by NCQA.

Why choose PHCS Network?

Access. The PHCS Network includes more than 920,000 practitioners, 4,800 acute care facilities and 87,000 ancillaries.

Savings. Average savings by claim type are 42% for practitioner, 28% for inpatient, 24% for outpatient and 46% for ancillary.

Quality. The PHCS Network is accredited by NCQA for Credentialing*. More than 99% of providers are directly contracted.

In addition to our network-based services, MultiPlan offers payment integrity and analytics-based services to help payers manage the cost of care. With one claim submission, you can access all our services. Call 1-866-750-7427 or email sales@multiplan.com for more information.

*NCQA has reviewed and accredited the PHCS Network's Credentialing functions only. For complete details on the scope of this review, visit www.ncqa.org
