

CRUM & FORSTER®

A FAIRFAX COMPANY

Crum & Forster is a national commercial property and casualty company wholly owned by Fairfax Financial Holdings Limited. The Accident & Health division of Crum & Forster offers a unique variety of insurance and reinsurance products nationwide along with international product capabilities through its internal offshore captive facility as well as global relationships with other Fairfax entities. Our office is located in Eatontown, New Jersey, and is home to a team of highly skilled and diverse individuals. Our in-house expertise includes underwriting, legal, regulatory affairs, compliance, actuarial, premium and claims administration, loss control, case management and marketing. We place a strong focus on product development and creative distribution methods, along with excellent client service and support.
