

Collaborating with benefits brokers, third-party administrators, and consultants to design and deliver strategies that reduce clients' prescription drug costs and improve member satisfaction.

- ✓ **FULL-SERVICE** national PBM with our own mail order, specialty pharmacy, call center, network, & clinical programs.
- ✓ **PRIVATELY-HELD** since our inception in 1987, we don't have pressure from investors.
- ✓ **35 YEARS** of proven success servicing self-insured mid-market employers.

Exceptional service, end-to-end flexibility, and solutions that meet our clients' goals.

THE SERVE YOU RX DIFFERENCE

- ★ Our 2021 overall trend of 3.2% and specialty trend of 5% far surpass the industry average of 7.6% and 8.5%, respectively.¹
- ★ Our clinical programs drove a 15% increase in targeted adherence rates, resulting in fewer hospitalizations and better overall outcomes for members.
- ★ 100% of our clients were prepared to meet Section 204 transparency reporting requirements by the December 27, 2022 reporting deadline
- ★ Each account has a dedicated Clinical Account Executive (a PharmD), Account Executive, and account management team.
- ★ Our call center has a 99% first-call resolution rate.
- ★ Our clients own their data. We help them use it to make informed decisions.
- ★ We have a 99.9% implementation accuracy rate and can implement some groups in 30 days or less.
- ★ There's no guess work. We provide straightforward pricing and contracting practices.

New groups save an average of 32% on their total drug spend by switching to Serve You Rx.
