

TIRED OF THE SAME OLD MGU? SO ARE WE.

AccuRisk Holdings is a leader in health solutions innovation that offers traditional insurance products alongside advanced risk mitigation solutions. Our national footprint allows us to tailor our innovations to meet the unique needs of your clients. From underwriting, data analytics, claims and policy administration, distribution, to comprehensive benefit plan design, we're driven to bring our clients reliable, best-in-market services.

OUR PEOPLE

We find the best people from a variety of backgrounds—direct insurers, reinsurers, retail brokers and wholesalers. No matter your perspective on risk, our team know what it's like to be in your shoes.

OUR COMMITMENT

Our aim is to offer best-in-market services that allow us to be a valuable resource when it comes to navigating the real issues your clients face. We want to do something that is rarely accomplished in this industry—create real relationships that lead to mutual growth.

about AccuRisk?

LET'S TALK.

AccuRisk is proud to be part of Ryan Specialty. Founded in 2010, Ryan Specialty is a service provider of specialty products and solutions for insurance brokers, agents and carriers. Ryan Specialty provides distribution, underwriting, product development, administration and risk management services by acting as a wholesale broker and a managing underwriter with delegated authority from insurance carriers. Ryan Specialty's mission is to provide industry-leading innovative specialty insurance solutions for insurance brokers, agents and carriers.

OUR GOALS

Outperform our competitors in each discipline associated with the insurance process

Lead the way in innovation and product development

Provide our clients with the best possible price and product for their unique needs

WHY WE'RE DIFFERENT

Combined Premium of close to \$230 million.

Multi-year contract with top rated carriers.

Full underwriting & claim-paying authority on behalf of our carriers.

Our scale allows an unprecedented level of client support from Actuarial through Underwriting, distribution, and product development.
